About Us

I love, people in love, being in love, gestures of love, doing what you love. To live with a full heart is a wonderful thing.

A SidPic Studio Team are Discover the all types of Events, Photography, Wedding Planning, Wedding Decoration, Movie Making, and Cover Songs.

Deconstructing the client's expectations and building the event step by step from there, is SidPic Studio Event India's main forte. SidPic Studio events specializes in is large enough to operate efficiently and effectively, yet small enough to create the event of your dreams with relentless pursuit of perfection nestled with undivided attention to every smallest detail.

Equally as much love photography and being able to photograph the beautiful, the imperfect, the crazy and the grittiness of life for photography I like working with people, telling stories and creating character in my images.

While I am taking care of regional clients, I keep working on various National/International assignments while offering turnkey solutions to the clients anywhere in the world. Having achieved so much in such less time, I still feel that my journey has just begun.

Our aim is to provide a luxurious experience to our clients, making them feel on the top of the world.

Events Vibes

As a wedding planner in India, we bring unique touches to weddings, focusing on executing your special day down to the last detail. This means that we take care of presenting you with only the most suitable venues and vendors according to your budget and taste. We at Marry Me work closely with you — the couple — and your families to plan a wedding that is uniquely yours and that is a reflection of your tastes. This means that whether you opt for a small and intimate wedding, a large-scale production, or even an exotic destination wedding, we will make your wedding day the most special and unique — one that will be remembered forever. We take pleasure in the fact that we have been able to create memorable moments by blending Indian tastes and tradition with contemporary touches
